

NWD LWML RESOURCES LIST
JUNE, 08

VIDEOS AVAILABLE FROM THE CORRESPONDING SECRETARY:

“Prepare to Serve” (six video Bible Study Series) covering six subjects: Care, Change, Comfort, Encourage, Lead and Reconcile. Each video is divided into 4 or 5 short segments with discussion materials included with each video.

“Patchwork of Love” (21 minutes) Tells 5 short stories of individual ministry. Individual acts of caring and kindness are like the patches of a quilt. Alone, they account for a few minutes and a little work. But God takes them and creates a remarkable far-reaching quilt of mission and ministry.

“Freely Received, Freely Give” (27 minutes) An interactive video that portrays people touching others lives in their area of need through intentional gospel outreach.

“Dakota Boys Ranch” (21 minutes) Tells of the purpose for the Ranch just outside Minot, and shows the campus and ranch as well as the second Ranch near St. Louis.

“CARING MINISTRY VIDEO SERIES”

1. “I Feel So Alone” (29 minutes) Suffering isn’t something people have to do alone. This video concerns the needs of families who have AIDS victims to care for.
2. “Carefully Hidden” (26 minutes) Reaching out to help those facing the problems of alcoholism.
3. “The Open Window” (24 minutes) Victims of spouse abuse need to experience the Lord’s compassion through a caring friend, who will offer support and help to break the cycle of abuse.
4. “Yes, No, or Later” (32 minutes) Scripture based discussion on making decisions about continuing or disconnecting life support systems.

“Flying Quilts” (25 minutes) The story of Lutheran World Relief.

“The Harvest is Waiting” (12 minutes) LCMS World Mission video about the Volunteer Missionary Service Program.

“A Day In The Life Of A Blind Person” (7 minutes) Shows a blind person going through the process of looking after themselves on an ordinary day.
